Conductive Summer Programme

Dear Parents and Applicants,

This summer the Pető Institute is planning to run its Summer Programme in Budapest again. In order to estimate the demand and promote planning, we address you and many other parents with this letter.

If you intend to participate in the 2010 Summer Programme, we request you to complete and return the enclosed application form **by 31 May 2010 latest**.

For families, whose child has not yet had conductive education at our Institute:

For applicants who not yet had conductive education at our Institute:

In order for us to decide whether it would be worthwhile for you to travel such a long distance to visit our Institute we would kindly request that you send us copies of your child's/ your brief, original neurological and orthopaedic reports and birth history (if appropriate, in case adults) in English, German or Hungarian language. We also need a detailed description of the child's present mental and motor condition or you present status if you are adult.

Please send your application to us. Once we receive these documents, we should be able to give you an assessment date at our Institute.

Please send your application to us.
